

Want to build a custom technology solution but don't know where to start?

Finding the right team to help you realize your vision.

TALENT INNOVATION ELEMENTS	FEATURE	BENEFIT
EXPERTISE	Utilize Ceremity technology experts to source and assemble your team	Resources are screened and approved by Ceremity technology experts ensuring you get top talent
	Know our clients' industry	Have the background to source and assemble the best team possible that understands your niche industry
	Present candidates that fit your culture and technical fit	Increase employee retention by providing candidates that match your core values and can hit the ground running
TIME EFFICIENCY	Leverage the Ceremity talent pool and networks when searching for candidates	Ceremity finds passive candidates that other recruiters can't find
	Follow Ceremity technical process to streamline and eliminate screening hundreds of resources	Proven process is more than screening resumes, it is a series of technical interviews ensuring you only receive qualified top candidates
COST SAVING	Offer hybrid models giving you a combination of onshore and offshore resources	Ceremity hybrid team provides the client a better price without sacrificing quality
	Contract options built around project needs	Allows your business to quickly scale without a high cost
	Free consultation with a Ceremity technology expert	After understanding your vision, we explore all options to fit your budget and project
RISK REDUCTION	Contract options that allow you to scale	Contracted employees allow you to take on new technology projects without having to reduce employees once complete
	Temp to perm options available	Carry your burden and assume risk on new employees
TECHNICAL PARTNER	Stay engaged with candidates past the hiring	Help candidate stay current in the tech industry and with innovations that can help your project
	Coach hired candidates once engaged	Provide the technical expertise and coaching that you will not receive with a general staffing agency
PERSONALIZED SERVICE AND GUARANTEES	Principal Advisor assigned to you at no charge	Readily available for engagement needs ensuring both candidate and client are happy and productive through process
	Offer free consultation and will swap out a resource if a problem with the resource	You have other things to worry about than having to deal with a underperforming resource. We will take care of that for you to let you focus on what you do best
